

**MINI ORIGINAL ACCESSORIES.  
THE NEW MINI COUNTRYMAN.**

# THE PERFECT PREP FOR A LIFE OF ADVENTURE.

Before you head out to make some new memories, make sure you've got the right gear. Part of the fun of the new MINI Countryman is choosing accessories to go with it, which is where MINI Original products come in. Built to endure all the stresses and strains of travel, they won't let you down, wherever in the world you are.

## SPORT STRIPES.

Available in various colours for bonnet and tailgate. Made of high-quality, dyed laminate. Light-, water- and car-wash-resistant.

## LED ADDITIONAL HEADLIGHTS.

Available in Chrome (illustrated left) or Black (title image), the LED additional headlights light up the road using state-of-the-art LED technology.

## BLACK BEZELS FOR LIGHTS.

A stylish, high-gloss Black design makes the bezels a slick addition to the front and rear of the vehicle.

## CHECKERED FLAG SIDE SCUTTLES.

Personalize your MINI to the best possible effect with Black/White (shown here) or Black/Grey (title image) Checkered Flag side scuttles, which complement the athletic design of the quarter panels perfectly.

## CHECKERED FLAG BLACK/GREY EXTERIOR MIRROR CAPS.

Mount these instead of the standard mirror caps and turn heads wherever you go.

# GOT EVERYTHING?

## COMPACT REAR-MOUNTED BICYCLE RACK.

Holds two bicycles/e-bikes (max. 30 kg each), quick and easy attachment to ball hitch, collapsible for crash-safe storage in luggage compartment tray.

## FITTED LUGGAGE COMPARTMENT MAT.

This practical, stylish and hard-wearing fitted mat keeps your luggage compartment free from damp and dirt. It's impermeable, and comes in Essential Black with a fabric surround and a designer handle featuring the MINI logo.

## TRAY FOR COMPACT REAR-MOUNTED BIKE RACK.

A specially designed tray for crash-safe storage of the rear-mounted bike rack in the bottom of the luggage compartment.

## BASE SUPPORT SYSTEM FOR ROOF RAILS.

The corrosion-resistant crossbars are made of high-strength aluminium tubing, and their anti-theft locking mechanism ensures they meet the highest security standards. Usable width: approx. 900 mm. Max. load: 75 kg. MINI roof box not included.

## JCW: BORN ON THE TRACK.

How do you beef up a Sports Activity Vehicle even more? With John Cooper Works Pro Tuning accessories. Choose from a wide range of track-tested products with a real racing edge.

### 19" JOHN COOPER WORKS RALLYE SPOKE.

Striking John Cooper Works Pro aluminium wheels in Aspen White (shown here) or Orbit Grey (title image). Lightweight design, with Red bezel and laser-etched Checkered Flag graphic.

**JOHN COOPER WORKS PRO CARBON EXTERIOR MIRROR CAPS.**  
Crafted painstakingly by hand using racetrack-approved high-tech material made from micro carbon fibres.

**JOHN COOPER WORKS TUNING KIT.\***  
High-quality Chrome tailpipe trim for track-style looks at the rear. The valve silencer system has two modes: "Sport" produces an intense rumble (for everyday use); "Track" unleashes the ultimate adrenaline kick (for racetrack use only).

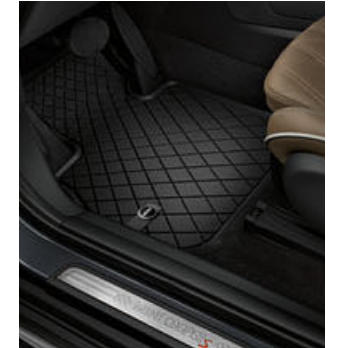

**JOHN COOPER WORKS PRO SIDE SCUTTLES.**  
Side scuttles in classic John Cooper Works Pro design that complement the quarter panels perfectly.

\*Available from third quarter of 2017.

## EXPLORERS ARE READY FOR EVERY ADVENTURE.

### MINI ADVANCED CAR EYE.\*

A full-HD front camera and rear window camera monitor the area in front of and behind the vehicle, even at night, and can also record footage if required.

### ALL-WEATHER FLOOR MATS.

These hard-wearing waterproof mats in Essential Black have raised edges to provide reliable protection against dirt and damp. Available for front and rear footwells.

\* This feature and the use of the recordings are subject to local laws. Please check any applicable regulations before your journey. The user is responsible for the use of the recordings and for compliance with local law.

## A FIRST-CLASS SECOND ROW.

### MINI CHILD SEATS.

MINI child seats provide optimum safety and comfort for kids up to 12 years old (approx. 36 kg). Patented airpads provide extra impact protection in the head and neck area – they are subjected to extensive crash tests to ensure they meet MINI safety standards, which far exceed the legal norms.

### CHILD SEAT UNDERLAY.

The child seat underlay protects the rear seats from dents, dirt and stains.

### BACKREST STORAGE.

A variety of pockets and an extra bottle holder make this a handy home for all your smaller travel items. It covers and protects the rear of the front seat, and is collapsible for easy transportation.

The models illustrated may include optional equipment and accessories not fitted as standard. Subject to changes in design and equipment. Subject to error.
