

MINI JOHN COOPER WORKS CONVERTIBLE.

EXCLUSIVE SPORT BADGES.

Let's face it – you won't be negotiating corners, you'll be dominating them. Even so, you'll need some serious stopping power, like the 4-disc, fixed – caliper John Cooper Works brakes fitted as standard, which come with red calipers. You can find the John Cooper Works logo, a symbol of racing pedigree, in places like the side scuttles and the stylish door sill finishers.

The twin pipes of the John Cooper Works sports exhaust are housed in the middle of the rear diffuser, while a streamlined rear spoiler improves roadholding so you can take corners at higher speeds. The spoiler is finished in the same colour as the roof, complementing the rest of the MINI John Cooper Works design.
